Gordon Wendover Construction Ltd.  
820 Maple Avenue  
Milton, Ontario  
L9T 3N4

To Whom It May Concern:

Gord Wendover has been responsible for the construction and renovations of golf courses at both St. Andrew's Valley in Aurora, Ontario, rated by Golf Digest as one of Canada's premiere public golf facilities. Gord played a major role in the creating of St. Andrew's East Golf and Country Club, a highly successful private club within the Metropolitan Toronto Marketplace. Ongoing renovations to our courses have been handled by Gord exclusively. He has always delivered a high standard of workmanship and vision of the **final product. Estimates of construction costs have consistently come in at or below forecasts. Most overruns have been the direct result** of my continual interference in his workday!

I would not hesitate to stake my reputation on your complete satisfaction relating to Gord's expertise.

Please do not hesitate to contact me for further background.

Yours truly,

**Bill MacWilliam**  
Director of Golf  
St. Andrew's East Golf & Country Club
