Dear Gord,

I would like to thank you and your son for the great job you did on our course in 2009. Your attention to detail was second to none. The new tees that you created along with the shaping of the old tee decks look awesome.

Although the weather did not co-operate for the week you did a great job over coming the elements. I can hardly wait till next year for our members and guest to see the changes and appreciate the work you put in to the golf course.

I look forward to working with you in the future and would highly recommend your services to my fellow colleagues and friends. On be half of myself, Brian, Dave, and Gord Rowland or superintendent I would like to thank you for a great job!

Thank you,

Phil Houghtling  
Director of Golf
